Dogs and cats suffer from the same kinds of injuries and illnesses that contribute to pain and inflammation of the joints and loss of mobility as their human companions.

HA-180 has been specifically formulated with these particular pet joint problems in mind. Use **HA-180** daily to help improve your pet's mobility which may be impeded by injuries or arthritic conditions. Suitable for both cats and dogs, **HA-180** is an easy-to-use, and better absorbed liquid formulation, with natural licorice flavour.

Loading dose: Administer the maintenance dose morning and evening for the first 2 weeks.
